

Charities Page

Description

There are many ways you can help, if you have a little extra. Extra doesn't have to mean money, maybe it's the time to write a letter.

I've "borrowed" some logos for the several funds and organizations I'm away of, to help the troops, or their families. I've placed these on a separate page (look under the header picture, near "About Me" and "Contact Us." I figured they may be too far down the sidebar to get seen, and I also wanted to provide some room for growth.

Please take a few minutes and chase the links. Thank you.
