

ValOUR-IT: Donâ€™t Forget the Auctionsâ€™!

Description

Sometimes you just gives, [sometimes you getsâ€™!](#)

Besides just laying out some hard earned money for the great feeling of helping to put lives back together, some people have volunteered to part with their “stuff” (for a price “name yours!”) for the highest bidder.

F/A-18C Model

Navy/Coast Guardâ€™s own [SteelJaw Scribe](#) has a factory model of an F/A-18C up on the block for your collection.

Get over [there](#) and grab some stuff (and chip the bid price in towards more ValOUR-IT donations)!
