

Monday Maritime Matters

Description

Seems like [Eagle1](#) and I are behind the power curve againâ€¦

Been a wild weekend, showing the boss how to make use of a 35K long list in Excelâ€¦reminds me of planning operations at sea, it does. At sea â€œsecond natureâ€• skills seems to flow freely to the top. and astonished longs are all around.

Please mark your reading calenders for the 24th. Something big is in the works, for a special edition of Maritime Matters.

Check later today for a real post in this space. Amuse yourselves by reading [Fred Fryâ€™s Maritime Monday 107](#) and check out how [DCTT procedures have made their way outside the haze gray lifelines!](#)
