

## Band of Bloggers – Part VI

### Description

Sorry about the lack of posting, but spent time with family and driving back from the DC area.

I was presented with the newly designated trophy for the annual ValOUR-IT Fund Drive, in recognition of the Navy's sprint to the "finish line." Not enough words can be said to express my thanks to all who made it happen, for it was certainly not done by me.

I will take a few photos tomorrow (CPT Chuck Ziegenfuss signed it) and post them here, along with the list of bloggers we had take part in the effort. Look for it n the next day or two.

To keep amused, here's what I found out people do for fun with duct tape from listening to the radio all day today:

And the winners (competition is still on going) get a \$6000 cash scholarship....
