

Professional Quality Ship and Aircraft Replicas....

Description

Random surfing, while backtracking sitemeter hits:

[All Wood Wings Military Ship Index page](#) was found....

But...they make planes and helos, too.

If you have some spare change, then you could buy [Capt Neptunus Lex](#) one of these (done in one of his squadron colors, of course)...

FA-18C Image not found or type unknown

For less than two bills, he'd have this to adorn his desk after he retires really soon....

You could get [Chapomatic](#) a hand crafted wooden sub.

SSN Model Image not found or type unknown

He may not like it, it probably floats and doesn't sink.

I'll take one of these...

FFG 7 Model Image not found or type unknown

Anyhow...looks like wonderful keepsakes for that special person...
