# c-BS BREAKING NEWS! Hurricane in Minnesota!

## Description

Thanks to the overly active imagination of Frank J. at IMAO:

â€œThis is Dan Rather with continuing coverage of Hurricane Jeanne which has surprisingly skipped right over Florida and landed in Minnesota. Yes, I know some ankle-biting pajama wearing fanatics known as â€˜bloggersâ€™ are disputing this, some claiming to be from Minnesota and showing pictures that everything is fine, but we still have this evidence.â€•

Rather held up a photo of hurricane damage with the word â€œMinnesotaâ€• on it.

â€œSee, this photo, sent to us by an anonymous, unimpeachable source, shows hurricane damage and is clearly labeled â€˜Minnesota.â€™ And listen to this expert.â€•

An expert walked up to Rather. â€œThat is clearly a label.â€• He then walked away.

â€œSo, you snot-nosed punks, stop doubting me!â€• Rather then jumped up on his desk. â€œI am newscaster Rather! Fear my power, or I shall report your obituary!â€•
