Description

Matt at Black Five has more great stuff. This article is about a German woman who has been a real supporter of the wounded Soldiers in the hospital in Landsthul, Germany.

Itâ€™s nice to know someone is giving of themselves to show our wounded youth, serving the cause of freedom around the world some real love. The are connected to Soldierâ€™s Angels, which is a non-profit organization, where you can see how to lend a hand to those who protect us with their own lives.
