Is it time to raise benefits?

Description

Matt at Black Five has a post regarding an new bill being sponsered by Joe Lieberman (D â€“ Conn) and Jeff Sessions (R â€“ Ala) to increase the death benefits of service members. When you see some of the payouts, youâ€™ll see they are pretty outdated in todays economy, and I would ask you to lend your support to this cause by contacting your representatives in Congress.

Please pass this along to your freinds, family and co-workersâ€¦
