# Thank you to all those who sacrificed

## Description

Just a quick post to say a heart felt â€œTHANK YOU!â€• for those still in Iraq and Afghanistan, military and civilian workers alike, and to those who have been and returned from those areas.

To the families who have to know their sons, daughters, husbands and wives are far away, thank you, too.

To the families who have lost a loved one, I have no words, but Iâ€™m certain you know Iâ€™m forever indebted to you and the one who will not return.

For all mentioned above, yesterday was possible because many individuals chose to step up to the challenge and be part of something bigger than themselves, and we all will reap the rewards of their sacrifices.
