Happy Birthday to the USMC

Description

Last year, I wrote this. I still mean every word of it.

A young man in my Church is considering enlisting. Heâ€™s leaning between the Corps and the Navy. Despite my personal journey, Iâ€™m trying to point him at the Marines. Heâ€™s a great kid, but, like most of us at that age, could use a little direction. Iâ€™m betting the Corps will be good for him. Weâ€™ll see.

Hereâ€™s a post, and and one commenter on it said, itâ€™s not â€œmascara safe.â€• If youâ€™re somewhere where you might get emotional, save it for after work, but Captain B from One Marineâ€™s View tells a story of Veteranâ€™s Day you wonâ€™t forget. Thank you Captain, for the view of that day.

To the USMC: Happy Birthday, may you (and all of us) see many more. Thanks to Marines one and all; past, present and future, for your willingness to do what others cannot.

For the rest of you, hereâ€™s what the top Marine has to say about this special day.
