# The XBox 360 is Here! Did the DoD Play a Role?

## Description

A while back I blogged on some history of training development I worked on in the Navy with the Battle Force Tactical Trainer (BFTT) project, begun by Capt. Herb Kahler in the early 90sâ€¦.

Does the new XBox 360 owe a tip of the hat to a bunch of war fighters and federal tax doallars for itâ€™s development? hmmmâ€¦consider how your tax dollars keep giving and givingâ€¦.
