â€œAIED?â€• â€“ Aerial IEDs?

Description

Scary story, but gives new meaning to the old axiom of never take the same path twice.

It seems the bad guys have come up with a creative solution to get at our helo assets, to include special attention being paid to MedEvac helos.

From the Telegraph, hereâ€™s an article on Aerial IEDs.

> The new home-made weapons, known to the Americans as â€œaerial improvised explosive devicesâ€• have been used on numerous occasions.
>
> â€œThe enemy is adaptive. They makes changes in the way they fight, they respond to new flying tactics,â€• Brig Edward Sinclair, a US army aviation commander, told Defense News, which first revealed the new threat.
