This Just In New Reading for Little Liberalsâ€¦

Description

Coming to a cute new bookstore near you: Brainwashing of the young and the helpless:

Why Mommy is a Democrat from the Little Democrats website. How wonderful!

Having spent a lot of years being directly of indirectly invloved in training, in and out of the Navy, I know that many groups try to get in the loop early in life, for it is the time when we are extremely effective sponges. All education at that level is worthy of being carefully chosen, for it is the foundation building time.

There are some interesting reactions already blogged about, such as this one: Sean Gleesonâ€™s Blog and at Peer Review.

Enjoy!

HT to a young consevative looking forward to entering the Marines!

Thanks to Little Green Footballs for the Open Thread!
