When Capt Lex Retires, This May Be His Best Option for Fun

Description

YouTube has some great stuffâ€¦.

Since I know the retired paycheck of a Navy Capt is not good enough to allow Neptunus Lex to have an F/A-18 in his garage for weekend jaunts, maybe heâ€™d be satisfied with doing what the guy in this video didâ€¦.

And, oh, yeahâ€¦he already understands the management of powered flight systems, so heâ€™ll pick it up in no time and can be down at Skydive San Diego real soon nowâ€¦
