# Note to the Complaining Generals

## Description

Dear sirs:

A caller to a radio talk show today reminded me of a man from history that should be your role model. The problem is, you all have now gotten out, and canâ€™t pull this off. Sucks to miss the opportunity to rush through a salinet and tear up the rear of the enemy, does it?

Sorry, I digress, so to my point, three words: GENERAL Billy Mitchell.
