One of the Top Plays Made in Baseball

Description

A friend emailed me this link to a video of a baseball play that now has been recorded as one of the top 100 plays madeâ€¦.butâ€¦itâ€™s not really about baseball.

In Apr, 1976, Rick Monday made a play that saved a flag from being burned on the field. Enjoy the clip with Rick telling the story this year of that incident 30 years ago.
