â€œLuckyâ€• Seven Meme

Description

Geeâ€¦itâ€™s a good thing I scan other blogs sometimesâ€¦.(Note to tasking agency: Captain Steeljaw: Send tasking directly next time â€“ it reduces the response cycle considerably!) Anyhow, Skippy-san of Far East Cynic nailed Steeljaw Scribe, and he informed me (via a note at the end of his answers). Here are the details:

Seven Songs

List seven songs you are into right now. No matter what the genre, whether they have words, or even if theyÃ¢â‚¬â„¢re not any good, but they must be songs youÃ¢â‚¬â„¢re really enjoying now. Post these instructions in your LiveJournal/blog along with your seven songs. Then tag seven other people to see what theyÃ¢â‚¬â„¢re listening to.

default watermark

1) 5 Candles â€“ Jars of Clay

2) I Can Only Imagine â€“ Mercy Me

3) Summer Song â€“ Joe Satriani

4) Soundtrack from Crimson Tide

5) Tub Thumping â€“ Chumbawamba

6) Pictures of a Matchstick Man â€“ Status Quo

7) 3AM â€“ Matchbox 20

Seven other victims? Who to botherâ€¦decisions, decisions:

Iâ€™m thinking Station Commando of Recruiting Tirade, Jack Army, Eagle1, Holly of Politics of a Patriot, Jason of Navy Says Hoorah1, Dadmanly, and (finally!) Andi of Andiâ€™s World!

(Emails to follow later)

Disclaimer: While I have publically stated (about a year ago in the junior blog), I will never generate a meme, I have not said I would not pass them along!
