Kim Jong Il is â€œSorryâ€•

Description

From MS NBC, it seems Kim Jong Il is â€œsorryâ€• he upset so many, in the â€œregionâ€• (read: China) and around the world.

Iâ€™d like to have been a fly on the wall when the represenative from the Chinese government walked in and said: â€œThis conversation never happenedâ€¦â€• and went on to tell the little man just what he was going to do next. Iâ€™m sure saying â€œIâ€™m sorryâ€• was but one of the steps to redemption that was issued, followed by a list of things that would no longer find their way across the borders, such as food and fuelâ€¦.

It will be many, many years before what happened in the last few days in an office in North Korea, butâ€¦thatâ€™s the way â€œhistoryâ€• works.

Update 10/24/2006: OOPS! Just kidding! greatâ€¦well, you know, the left thinks all things are settled if someone says â€œIâ€™m sorry!â€• What are they to think now?
