â€œGeneration Câ€• â€“ Add This to the Lexicon

Description

A caller to Bill Bennettâ€™s talk show this morning put forth a new moniker for the current crop of people who think there is nothing to put their trust in. They are coming behind the Gen Xers:

â€œGeneration Câ€• for â€œCynicâ€•

Fits pretty well, considering the Democratic Underground people decided within a short time yesterday that the small plane crashing into a Manhatten apartment building is part of an inside job of the Bush Administration.

Go figureâ€¦
