Also, Just in Time for Christmas

Description

Tired of the commute (in the Metro DC area, escpecially)? Donâ€™t like flying? The train is still too slow (and almost as expensive as flying?

If you answered yes, thenâ€¦.fear not, scientists are working for you!

Objects have now been teleported CNN reports today.

Well, maybe telephone booth sized teleporting booths wonâ€™t quite make it by this December, it looks like â€œStar Trekâ€• and other science fiction, wasnâ€™t off the mark with teleporting, and one day, youâ€™ll maybe find one next to the Christmas tree with a large red bow tired around itâ€¦

Donâ€™t forget to check out this other â€œJust in Time for Christmasâ€• offeringâ€¦
