Dear Feminists: You Can Achieve Your Goalsâ€¦.

Description

From CNN:

First woman pilot with any US flight demonstartion team.

Major Nicole Malachowski, USAF

Major Nicole Malachowski is Position #3 with the USAF Thunderbirds.

Message in the bottle: She decided at 5 years old, she wanted to be a fighter pilot. Not only did she do that, she has 200 hours of combat time in F-15 Eagles.

Check this as a philosophy for success:

> â€œPeople talk about glass ceilings or breaking barriers,â€• she said. â€œI donâ€™t even understand those concepts. Those words have actually never existed in my life.â€•

BZ to Major Malachowski for the following of her dreams and attaining them!

CNN Lou Dobbs reports video is here.
