Valour-IT: Once A Marine, Always a Marine

Description

Maybe I should have known better. The Navy Team puts up Marine donation buttons all over the place and tells people to send money their way, and then the marines act like they just boarded USS GATOR and take over the place. They stand in the passagewas, clogging up traffic, eat all the steak and ice cream and then sit around playing cards all day, when they arenâ€™t doing PT, and all the while thinking the sailors owe them something more.

Seriously: Congrats Marines for getting a second wind and stroking past the Army in fine fashion! Iâ€™m sure the Powerline Blog listing yesterday (just which pictures did VC email to them?) didnâ€™t hurt at allâ€¦..

Hmmmmâ€¦maybe itâ€™s time for a â€œNo Zoomie Left Behindâ€• push thru tomorrowâ€¦..

If you havenâ€™t hit the auctions, donâ€™t let that stuff get away. After all, it may be Team Navyâ€™s only hope of coming out on top when all the money is counted!
