Valour-IT: Navy Goes Vertical, SINGES COMPETITON!

Description

VALOUR-IT NEWS FLASH!

SR-71

Whoda thunk it? From â€œTail End Charlieâ€• (man, the view was UGLY back there!) to â€œLeader of the Packâ€• (howâ€™s it looking now?) in a few hoursâ€¦.

Oh, and thatâ€™s Capt Lex in the chase F/A-18â€¦

default watermark

This stunt was brought to you by the cold, calculating, strategic thinking idea people of Team NAVY (lay back and let them wear themselves out, then smoke by them like you hairâ€™s on fire!) â€¦$5500+ in the lead and accelerating towards the finish line!

Grab an auction to bid on and see if you ground pounding, movie watching, golf and bowling â€œexpertsâ€• can catch us!
