Valour-IT: Official Press Release

Description

On PRWeb, the official Valour-IT press release exists.

How about spread it about liberally. Send it to any and all radio/TV station managers web address, or, if you canâ€™t find any one in particular, try sending it to the postmaster or info or webmaster address, asking that it be relayed to the appropriate office. The larger and/or more active sites will most likely see it in time to get the word around the coffee pot (or Coke machine n this era) before Saturday.

Get over to Kenâ€™s Blog,a href=â€•http://smadanek.blogspot.com/â€•>Smadanek (when this is over, Iâ€™ll ask him where that moniker came fromâ€¦) to see how we are trending towards the goal. The Official Valour-IT bean counters site! WOOOHOOO!

Get on itâ€¦andâ€¦get people pointed at the auctions, and shameless promote Lexâ€™s hard copy of â€œRhythms!â€•
