Donâ€™t Study Vietnam, Study McArthur and Marshall

Description

BFO moment.

Why are we still looking at war strategies for Iraq? Not to say there isnâ€™t a need for such thinking, but I think itâ€™s better applied to the larger issue of worldwide terrorism.

As far as Iraq, we need to be face down into how the Marshall Plan and General McArthurâ€™s methods for Germany and Japan were formulated and then put into placeâ€¦.

This is a teaser. I have to hit the raod, but Iâ€™ll be working on this thought much, much more!
