jfk in the Mess Hall

From the post on Hot Talk with Scott Hennan:

> A friend of mine serving in Iraq sent me this photo and note. I received it before Christmas, but was out of the office. Priceless story it tellsâ€¦.:
>
> This is a true storyâ€¦.Check out this photo from our mess hall at the US Embassy yesterday morning. Sen. Kerry found himself all alone while he was over here. He cancelled his press conference because no one came, he worked out alone in the gym w/o any soldiers even going up to say hi or ask for an autograph (I was one of those who was in the gym at the same time), and he found himself eating breakfast with only a couple of folks who are obviously not troops.
>
> What is amazing is Bill Oâ€™Reilly came to visit with us and the troops at the CSH the same day and the line for autographs extended through the palace and people waited for two hours to shake his hand. You decide who is more respected and loved by us servicemen and women!
