Jack is Back

Description

Season 6 ripped out of the gates last night and I had to sit and watch it.

Plenty of blogs, including the Blogs 4 Bauer will be commenting, butâ€¦.

I would invite you to consider the presentation of a man who just spent two years being tortured by the Chinese for causing the death of some Consulate personnelâ€¦..

Jack certainly didnâ€™t look underfedâ€¦.andâ€¦.he seems to be in excellent physical condition.

I know, in his 6â€™x6â€² cell, he paced two marathons a day and did 7800 (more of less, but none on Sunday) pushups, which would explain his endurance and strength.

Butâ€¦on with the show!

Oh..and donâ€™t forget the 15th (today) is Talk Like Jack Bauer Dayâ€¦â€•GET DOWN!â€•
