A Public Service Announcement â€“ â€œPhishingâ€• Info

Description

Scanning the new mags while drinking coffee located this item of interest:

Phish Tank.

Wondering what â€œphishingâ€• is? Details here.

> What is PhishTank?
>
> PhishTank is a collaborative clearing house for data and information about phishing on the Internet. Also, PhishTank provides an open API for developers and researchers to integrate anti-phishing data into their applications at no charge.

default watermark

So, a central clearing house, where you can check out if the email youâ€™re looking at is legit, or an effort to undo you financiallyâ€¦.You can even send in your items to help the greater good!

Think of it like a Snopes like site for checking out whatâ€™s true and whatâ€™s notâ€¦
