â€œNintendo, Wii Have a Problem!â€•

Description

Yes, the game console craze is in â€œfull swingâ€• so to speak.

Need a little â€œdarkâ€• gaming humor to make you smile (and warn you of the dangers of Wii)?

Broken Teapot

One excerpt of note, a poem about the result of loosing a controller into the air, and where it fell, well, these people know where:

> So, its Christmas eve. Iâ€™m happy, the family is happy. One wii sports homerun later. We have a broken decorative teapot. Blame the over zealous father. I wrote this poem to commemorate the occasion.
>
> Iâ€™m a little teapot, short and stout.
> somewhere is my handle, over there is my spout.
> When I get all wiiâ€™d up, hear me shout.
> â€œOH GOD, IT HURTS, WHERE IS MY HANDLE,
> SOMEBODY HELP ME PLEASE!!!!!â€•
