Light Blogging â€“ Off to the Racesâ€¦.

Description

Gator Nationals NHRA Races
Guys weekend away coming up, listening to ear shattering noise and smelling burnt rubber and nitro fumes (from a distance)â€¦

As a result, Iâ€™ll be â€œofflineâ€• and hoping the Army team makes the finals in all categoriesâ€¦they smoked everyone last year.

Tony Schmacher

At dinner on the way back, we got to talk to â€œThe Sargeâ€• and he autographed one of the guys shirts. Last year and the year before, they also gave the oath of enlistment to a platoon sized unit of new soldiers, and the, of course, got a standing ovationâ€¦
See ya next weekâ€¦
