Ropeyarn Sunday â€œSea Storiesâ€• and Open Trackbacks

Description

I knowâ€¦a day lateâ€¦I can make excuses, but not worth it.

I believe the other blog is gone, banished to digital nothingness by a hosting firm who wanted more money than this one didâ€¦

For this day, a blast from the past: â€œWe donâ€™t have enough fuel to reach Africaâ€•, a true story of too much desire for liberty in Brazil, not enough advance planning and two ships (neither one of them a logistics type vessel) somewhere in the South Atlantic.

Enjoy! (and post your trackbacks!)
