â€œI Am John Doeâ€• â€“ The Manifesto

Description

In the wake of the non-flying imamâ€™s court case to sue those private people who called airline personnel to report suspicious behavior, Michelle Malkin has posted the â€œJohn Doe Manifestoâ€• at NRO:

> Dear Muslim Terrorist Plotter/Planner/Funder/Enabler/Apologist,
>
> You do not know me. But I am on the lookout for you. You are my enemy. And I am yours.
>
> I am John Doe.
>
> I am traveling on your plane. I am riding on your train. I am at your bus stop. I am on your street. I am in your subway car. I am on your lift.
>
> I am your neighbor. I am your customer. I am your classmate. I am your boss.
>
> I am John Doe.
>
> I will never forget the example of the passengers of United Airlines Flight 93 who refused to sit back on 9/11 and let themselves be murdered in the name of Islam without a fight. [â€¦]
