# Second Career â€œIssuesâ€•

## Description

My headhunter friend sent this, which is a little lightness for the current days.

> Second Career
>
> Tom was in his early 50â€™s, retired and started a second career.
>
> However, he just couldnâ€™t seem to get to work on time. Every day, 5, 10,15 minutes late. But he was a good worker, real sharp, so the Boss was in a quandary about how to deal with it. Finally, one day he called Tom into the office for a talk.
> â€œTom, I have to tell you, I like your work ethic, you do a bang-up job, but youâ€™re being late so often is quite bothersome.â€™
>
> â€œYes, I know Boss, and I am working on it.â€•
> â€œWell good, you are a team player. Thatâ€™s what I like to hear. Itâ€™s odd though, youâ€™re coming in late. I know youâ€™re retired from the Air Force. What did they say if you came in late there?â€•
>
> â€œThey said, â€œGood morning, General.â€•
