Quite Possibly the Bumper Sticker to End All Bumper Stickers

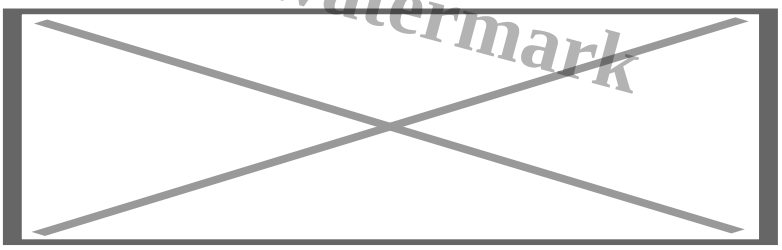

Description

From the fertile mind of a guy who has caused plenty of gravity to compress his body parts in ways we donâ€™t want to knowâ€¦.

Butâ€¦if youâ€™re a person who lives life serially via â€œsingle issues:â€• This one is not for you, but there are thousands you can purchase alternatively.

If you canâ€™t bother to spend some time to mediate on the World and all that is in it, preferring to have life spoon (or iPod) fed to you: This one is not for you.

If, on the other hand, you believe life is a complex thing and the universe even more so, and havenâ€™t even tossed people into that discussion: This oneâ€™s for you!

Iâ€™d also look for the T, tank top and..no, scratch that, no thongs, coming to a kiosk in a mall near you soon.
