Valour-IT â€“ Monthly Reminder!

Description

Itâ€™s the 11th of the month. Do you know how the soldiers, sailors, airmen and Marines who have been wounded and canâ€™t type are doing?

You donâ€™t have to specifically know, but you know what the news is saying and this post is to remind you that the V(oice)A(ctivated)L(aptops) for OUR-I(njured)T(roops) program surely can use a few dollars to get laptops into the major military medical facilities for their use. The laptops help bring them back into communicating with family, friends and their units. Itâ€™s a blessing all around.

Hereâ€™s the link No excuses, huh? Get to it!
