Itâ€™s all about â€œshowing offâ€• and his contention is they want us to not just rattle the saber, but unsheathe it in their specific direction. More propaganda victories, even if it means many Iranian citizens take the bullet(s) for their President. If we do, then AMadDinnerJacket has propaganda out the wazoo and heâ€™s still not with the 72 raisins. like some of his country men would be

Mark Steyn on Bill Bennettâ€™s show this morning said â€œwe need to quit handing them these little propaganda victories.â€• He was discussing the Birts backing down on the hostage situation, but he meant victories in plural. The pile of â€œlittle propaganda victoriesâ€• is getting pretty tall in the last 5 years. At some point it will look like one big one to the Islamic world culture.

Soâ€¦VDH says take your fingers off the pickle. Other things will do the job without giving them what they demandâ€¦.go and find out what he says.
