For All You Jealous Bubbleheads

Description

For the longest time now, the SWO (â€˜â€•â€˜Shoeâ€•) community had a backchannel place to vent or trade barbs at Sailor Bob.

Sailor Bob, being the gracious guy he is, helped the depth challenged and now there is Rigged for Dive to provide the same spirit of camaraderie and silence (the the rest of us) for the Slient ServiceÃ¢â€žÂ¢.

Spread the wordâ€¦.but for you sub bloggers, donâ€™t write it in there and not share with usâ€¦.
