Oooooâ€¦AAAAAHHH!!!

Description

In the latest â€œPopular Mechanicsâ€•, the â€œMilanâ€• computer from Microsoft, using â€œmulti-touchâ€• input.

More â€˜gougeâ€™ from da Man here.

Pretty snazzyâ€¦and a great coffee table replacement!

Update 6/23/2007: Kevin points out that someone has other views about Bill Gateâ€™s great ideasâ€¦
