When the Comments are Better then the Post

Description

If youâ€™re a regular reader of Black Five you may have already destroyed your keyboard. Tough. Tell the chaplain later and get your card punched.

If not, get over to this post and the beginning digital warfare between the world changing United States Marine Corps and the guys who always wanted to be the Nationâ€™s â€œdoor kickersâ€• that land after the Marines have done the hard work.

WARNING Regardless of your service background/affiliation/preferences: REMOVE ALL LIQUIDS AND BREAKABLE OBJECTS FROM THE VICINITY OF YOUR COMPUTER. TAKE YOUR LAST SWALLOW OF YOUR COFFEE/MILK (for you Army guys)/BEER or LIQUOR/SODA/ETC BEFORE YOU BEGIN READING THE POST AND THE COMMENTS****

You have been warned. If you canâ€™t follow directions, either buy cheap keyboards, or just quit using a computer.

Oh: The Origin? Writer â€œGrimâ€• posted a way to send emails to deployed Marines, and Matt decided to send one of his own. You can get the gouge on supporting our troops forward, the ones proud to call themselves Marines by going here.
