How to Make Great Content for Blogs Slideshow

Description

I picked this up on my â€œDashboardâ€• of WordPress, but itâ€™s not specific to WP blogging, but some well thought out stuff on how to ramp up the quality of posts on blogs in general. Done by Lorelle VanFossen:

Oh, not to mention, the SlideShare site looks like you PowerPoint Rangers can spread your message way beyond that briefing to the DVs who pop by constantlyâ€¦.Câ€™monâ€¦go and post your work, you know you want to.

Update 7/27/2007: Great! SJS accuses me of encouraging the digital version of this heinous activity by this post:

default watermark

Thanks, Shipmate, I was only trying to helpâ€¦.Maybe he should check out this slide show I found there before he protests so, coz even Hummers made it in the batch:

Just sayinâ€™, ya knowâ€¦
