Looking for Some Great Naval Gouge?

Description

Gougeâ€¦some who read this know the inestimable value of such a commodityâ€¦.

A recently opened blog, Information Dissemination, is becoming a good resource to keep tabs on developments in naval equipment and navies, not only the US stuff, but some detailed articles on China, Saudi Arabia and India have shown up as well.

Interspersed are deployed orders of battles of the US Fleets, and lots of discussion on current and projected shipbuilding.

Wander on over, I think youâ€™ll find it a resource worth bookmarking and returning to regularly.
