Description

Itâ€™s not one of these by itself, itâ€™s the â€œaggregationâ€• that makes you thinkâ€¦.

Bumper Sticker #1: â€œEnd the War NOW!â€•

Bumper Sticker #2: â€œBeware of Dragonsâ€•

Speaks to a mind full of fantasy, at least in my humble opinionâ€¦.

And while Iâ€™m at it, bumper stickers not sighted, but could possibly sell:

â€œStop Road Rage: Pretend you donâ€™t own the road, at least for todayâ€•

â€œStop Road Rage: Yes, there are other vehicles out here with yoursâ€•
