First Person Reporting â€“ The Pentagon, 9/11/2001

Description

If you want to get a sense of the mood and situation in the Pentagon on the morning of 9/11/2001, then donâ€™t miss the Reflections of SteelJaw Scribe, who was in the building and is taking a few days to recount the experienceâ€¦

Part I is here

Check back at his site the next few days for the continuation of this inside view of the attack suffered that historical day through the eyes of a Navy Captain.
