Entropy and Irony â€“ The Letter to Rush Limbaugh

Description

Unbelievableâ€¦wish he was up for ValOUR-IT instead, but a lot of children who lost parents in the Marines of law enforcement will be the lucky onesâ€¦The Democratic â€œleadershipâ€• will fund precisely what they are against

Too funny!

Update @ 12:54 EDT: Not funny: Harry Reid (D-NV) takes to the floor of the Senate of the United States of America and proclaims credit for raising money to support the children of those who died in battle. Since the MSM/HBM/Dinosaur Media didnâ€™t bother to carry the story in the first place about

the abuse of elected official power against a private citizen, directly in contravention with The Constitution of the United States of America, the old media will now report it and hail the magnificant manner in which the Democrats, 41 of them specifically, have done just like their icon, Bill Clinton, helped raise awareness for children in need and ainâ€™t they just great? Merely a prediction, but Iâ€™m sure the stories will be released in less than a few minutes, when the auction closesâ€¦(in 50 seconds)

Just went back for the linkâ€¦$2,100,100 right nowâ€¦.it was $2,000,100 just a few minutes ago and there are 5+ hours leftâ€¦
