Today in Military History

Description

Oct 25th has established itself as a â€œtriple crownâ€• of major military battles in history.

In 2005, I encapsulated details on and links to more information on the Battle of Agincourt â€“ 1415 (remembered by the Henry Vâ€™s great speech from Shakespeare), the Charge of the Light Brigade in the Crimean War â€“ 1854, and the Battle Off Samar â€“ 1944.

Update (late PM): And, boy! is there a lot more!

For example:
1940: Benjamin O. Davis, Sr becomes the Armyâ€™s first African-American general
1942: Battle of Henderson Field on Guadalcanal begins
1974: USAF launches itâ€™s first ICBM
