MEGEN on the Road and With Recruiters

Description

From sunny place, MEGEN makes an appearance.

FbL didnâ€™t tell me she was going to let the trophy be handled by other than Navy personnelâ€¦.particularly ones that show the same degree of interest Noonan did last campaign. No wonder they didnâ€™t meet goal!

On the other hand, the Green (well, ok, tan) machine looked like they are eager to get into the fight. I like that in a Marine!Tracked back @ Fuzzilicious ThinkingValOUR-IT Update, AM 10/29/2007: The sun is just rising, but the Navy/Coast Guard Team, during the mid-watch, has already begun collecting for the cause. I guess ther other three uniformed services havenâ€™t had their coffee yet. Ladies and gentlemen of the USMC, USA and USAF, itâ€™s â€œStand Toâ€• timeâ€¦.get on it!
