ValOUR-IT: Preliminary Totals Are In!

Description

We didnâ€™t make the planned goals, butâ€¦many chose to send in checks.

First cut is here. Despite the totals shown on the web, the collections so far are up to $168.370.91, and more is bound to come in. Some money got donated via the first widgets and they are scouring that info. The Navy/Coast Guard Team accounts for $20,081.75. Toss in there is already over $29K that came in the mail with no team designations, we still did a respectable job.

So, itâ€™s still a lot of money to do what we planned. Iâ€™m sure more news will follow inthe next few weeks of the grand totals for the fund drive.

BZ, everyone!
