AAAHHH! The WEEKEND is Here!

Description

Donâ€™t even think about it, Navy/Coast Guard team!

This weekend is to do the work the big bloggers (John, Matt, Jimbo and Mrs G) wonâ€™t do â€“ taking it to the streets.

They must just sit about, sipping coffee drinks with odd names, dreaming of victory (except for Mrs G, who might have not had her coffee and has fallen asleep at the wheel, like John the Zoomie did last year).

So, find some brew that appears to resemble the mid-watch coffee, get a full mug (borrow one from your CPOâ€™s Mess is youâ€™ve lost yours) and hit the bricks. Talk ValOUR-IT up something fierce, get them to nod and say (using the â€œrepeat backâ€• method of reinforcement): â€œI will go home, log on the net and contribute to our wounded service members, via the Navy/Coast Guard team.â€• Make them say it, without errors, three times in a row (itâ€™s a memory thing) before you let them out of your vicinity.

default watermark

Bring it home for Navy/Coast Guard!

End note: No â€œcomplainingâ€• and whining. Get on with it. You know youâ€™ll feel better when Mondayâ€™s number show itâ€™s worth your effortâ€¦
