Ropeyarn Sunday "Sea Stories" and Open Trackbacks

Description

Hereâ€™s the open postâ€¦link â€™em up!

In the meantime, todayâ€™s â€œsea storyâ€• isnâ€™t directly about the sea, but rather things I learned while in the profession of being at sea.

Now, I take you into the â€œwayback machineâ€• and send you three years of blogtime into the past for â€œThe Value of the Military Skill Set â€“ Part II.â€•

Comments appreciated. Fell free to travel about the links in that post to the other in that many-parted serial post.
