BZ SSGT Bellavia, US Army.

Thanks for putting it into words we can grasp. Update 3/22/2008: Better yet, this man isnâ€™t just a writer, heâ€™s a bad ass. Heâ€™s a real, 100% certified, no holds barred man of courage, honor and guts. Think John Wayne, but not just on a Hollywood set, but in house fighting in Fallujah. SSG Bellavia has been nominated for the Medal of Honor for his actions there. Hereâ€™s the story. And just when will we see the movie out of Hollywood? Not for a long time, but it happened just the same.
